pureAir FRIDGE

pureAir FRIDGE SRP $49

pureAir **FRIDGE** uses ionization and ozone technology to cuts odors caused by bacteria and neutralizes pesticides.

We measure success in microns.

pureAir FRIDGE reduces embarrassing odors by purifying the air within your refrigerator. Produce even stays fresher longer because pureAir FRIDGE diminishes ethylene gas from decaying food. Enjoy freshness every time you open the door, no baking soda required!

Benefits of pureAir FRIDGE

- Rechargeable Long Life Battery
- Reduces Foul Fridge Odors
- Audible Battery Notification
- Extends the Life of Your Food
